

Ohio Educator Licensure Examination Pass Rates at Mount St. Joseph University

Reporting Period from Sept 1, 2013 to Aug 31, 2016
(Data Source: USDOE Title II Report)

Description of Data:

Ohio educator licensure requirements include passage of all requisite licensure examinations at the state-determined cut score. The reported results reflect Title II data, and therefore represent pass rate data solely for initial licenses. Further, because the data are gathered from the Title II reports, there is a one year lag in accessing the data. Teacher licensure pass rate data are the only reported metric for which the data do not reflect the current reporting year.
