

## THREE YEAR SEQUENCE FOR ACCOUNTING

A major in accounting offers students opportunities to develop the technical skills necessary to qualify for the Certified Public Accountant (C.P.A.) or the Certificate in Management Accounting (C.M.A.) examination. These skills are enhanced with a solid background in the liberal arts and sciences. The program also emphasizes the development of interpersonal skills, analytical abilities and a solid understanding of ethics in the business environment. No prerequisites required.

### YEAR 1
