

MSJ HEART MINI TEAM FUNDRAISER

FRIDAY, FEBRUARY 7

DELHI SKYLINE CHILI
5137 DELHI PIKE

Heroes don't always wear capes— sometimes, they wear Skyline aprons

Thanks to the quick and skilled actions of a Skyline employee trained in CPR, one of our very own MSJ Community members survived a sudden cardiac arrest—receiving critical care before emergency responders arrived.

Join us in supporting the **MSJ Heart Mini Team** as we raise funds for the **American Heart Association** while celebrating **Skyline on Delhi** and the heroic employee whose quick actions **saved a life!**

Can't make it? You can still support us by donating online or sign up to join our team—just scan the QR code below!
