### FAFSA (Free Application for Federal Student Aid)

New students interested in receiving financial aid, including grants and federal loans, need to complete the FAFSA online at [www.studentaid.gov](http://www.studentaid.gov). (Returning students will complete the FAFSA Renewal.) If you have any questions or need assistance with filing the FAFSA, please contact Student Administrative Services at 513-244-4418. **Be sure to list Mount St. Joseph University and its six-digit code, 003033.**

### Financial Aid Offer

New students must be accepted by the University before financial aid can be offered. Packaging and offering of financial aid begins as soon as completed FAFSA results are received and the University's processing system is updated. The sooner the FAFSA is received, the better. Financial aid offers are mailed to students. The offer reflects the types of financial aid and the amounts for each semester with a yearly total. The Mount's Student Administrative Services staff can help with reviewing the financial aid offer, out-of-pocket estimates, and payment options.

### SCHOLARSHIPS, GRANTS, and PAID OPPORTUNITIES

#### Scholarship and Academic Award Renewals

Renewal of academic awards will be made after final grades are available at the end of the second semester. Financial aid offers are sent beginning in mid-May to students meeting the renewal criteria for their particular scholarship or award.

#### TEACH Grant

The Teacher Education Assistance for College and Higher Education (TEACH) Grant Program offers assistance to students who intend to teach in a high-need field and in a school that serves students from lower socioeconomic backgrounds. ### LOAN AND PAYMENT OPTIONS

#### Federal Direct Loan

A fixed-interest loan available to students enrolled at least half time to assist with the cost of their college education. Most students who file a FAFSA will be offered a Federal Direct Loan. Repayment begins six months after the student graduates, attends less than half time, or stops attending college.

#### Parent Federal Direct Loan (PLUS Loan)

A loan available to parents of dependent students to help cover the cost of education. This fixed-interest loan is based on credit approval. Repayment starts immediately after the final disbursement. Parents have the option to defer the loan up to six months after the student graduates, attends less than half time, or stops attending college. To apply for this loan, a parent will need to log in to [www.studentaid.gov](http://www.studentaid.gov) and click on "Apply for a Parent PLUS Loan".

*Note: The U.S. Department of Education is the lender for both the student and parent direct loans.*

## LOAN AND PAYMENT OPTIONS (cont.)
