Independent 2019-2020 Verification Worksheet

Federal Student Aid Program

MOUNT ST. JOSEPH UNIVERSITY

Your application was selected for review in a process called verification. The law says that, before awarding federal aid, we have the right to ask you to confirm information reported on your Free Application for Federal Student Aid (FAFSA) using this worksheet and other required documents. If there are differences, your FAFSA information will be corrected. Authority to request and review information is provided under the financial aid program rules (34 CFR, Part 686). More info:

Notice About Income Verification: Income information for tax filers must be matched with data on file with the Internal Revenue Service (IRS). See page 2. As such, persons who have not filed their 2017 taxes* will not be able to complete verification until they have filed and their tax information is available from the IRS. Availability of information for online IRS Data Retrieval or IRS Tax Return Transcripts can take up to 2 weeks of filing taxes electronically and up to 8 weeks following paper tax filing.

*Persons filing a tax deadline extension will have to complete the verification process now and again after filing taxes.

You must complete and sign this worksheet.

Non-scholarship aid will not be available until the verification process as outlined on this worksheet is complete. Preliminary Awards are estimates of eligibility. Any delay can cause the loss of eligibility for limited aid sources. Failure to complete verification prior to last day of enrollment can result in total loss of eligibility.

Important Income Information for Tax Filers

IRS DATA RETRIEVAL: Best way to verify income is to use the IRS Data Retrieval Tool (IRS DRT) within FAFSA.

- Go to www.FAFSA.gov, log into the FAFSA record, select “Make FAFSA Corrections,” and navigate to the student and parent financial sections.
- If eligible to complete the process, use the IRS DRT to transfer 2017 IRS income tax information to the FAFSA for both student and parent.
- When using the IRS DRT, do not modify income after transferring it to the FAFSA. If modified, Transcript option will be required.

IRS TAX RETURN TRANSCRIPT: If you are unable or choose not to use the IRS DRT, an IRS Tax Return Transcript will be required.

- Go to www.IRS.gov and use the “Order a Return or Account Transcript” link or call 1-800-908-9946.
- Make sure to request a *Return* Transcript, not an *Account* Transcript.
- SSN, date of birth, and address used on the taxes needed for each tax filer when making the request. IRS will only send transcripts to address on file.
- Married persons filing separate tax returns (or newly single who filed jointly) must use Transcript option to request tax info for both parents.
- Transcripts must be submitted with this verification worksheet.

C. Student’s (and Spouse’s, if married) Income Information

1. **TAX RETURN FILERS:** Review information at the top of this page and check appropriate boxes.

- IRS DRT in FAFSA on the Web was used to retrieve and transfer IRS income information for the student (and spouse, if married and filed jointly) either on the initial FAFSA or when making a correction and no modification of the income data has since been made.
- Student unable or chooses not to use the IRS DRT so 2017 IRS tax return transcript(s, if married, filed separately) attached.
- Student filed an amended return so the 2017 IRS tax transcript *and* 2017 signed copy of 1040X are attached.
- Spouse filed separately and filed an amended return so the 2017 IRS tax return transcript and 2017 1040X are attached.
- Student attached a copy of tax filing extension request. W-2 forms are also attached with information noted in the section below.*
- Spouse filing separately attached a copy of tax filing extension request. W-2 forms are also attached with information noted in the section below.*

1. **TAX RETURN NON-FILERS:** Complete this section if student (or spouse, if married) will not file and is not required to file a 2017 income tax return with the IRS.

- Student (or spouse) not employed; no earned income in 2017.
- Student (or spouse) employed and completed info. Every employer, even if they didn’t issue a W-2, must be listed, and W-2s must be provided if issued.
